

## Loose tube, LAP, Single jacket, self-support

## ■ FEATURES\_\_\_\_\_

Essential for Aerial installation

Non-necessary for suspension wire

Decrease in installation cost

Distinguishable by color of fiber & loose tube

Essential for moisture protection

Essential for anti-rodent

Rip cord for easy jacket removal

UV-resistant outer jacket

## APPLICATION \_\_\_\_\_\_

Local area network

Long haul communication system

Subscriber network system

Junction communication system

Inter building & communication link

## ■ TECHNICAL SPECIFICATION
